

Readers' Favorite® Book Reviews and Award Contest

Book Review Mini-Critique

Below you will find ratings (scale of 1-5) with descriptions for the major parts of your book followed by your Readers' Favorite review. Although these are general ratings we hope they will give you an insight into how others may view the different components of your book.

These are the opinions of your reviewer, and although your reviewer is not an expert literary critic or professional editor, they are at the very least, an avid reader of books just like yours.

Title: One Hit Wonder
Subtitle: The Real-life Adventures of an Average Guy and the Lessons He Learned Along the Way
Author: Kevin R. Kehoe
Genre: Non-Fiction - Self Help

Appearance: The appearance of a book can make a significant impact on the experience of a reader, whose enjoyment is often enhanced by an enticing cover, an intriguing table of contents, interesting chapter headings, and when possible, eye-catching illustrations.

4

Plot: The characters of a book should be well defined with strengths and flaws, and while they do not have to be likable, the reader does have to be able to form a connection with them. The tone should be consistent, the theme should be clear, and the plot should be original or told from a unique perspective. For informative books -- those without plot and characters--this rating refers primarily to your concept and how well you presented it.

5

Development: Development refers to how effectively you told your story or discussed your topic. The dialogue should be realistic, the descriptions should be vivid, and the material should be concise and coherent. Organization is also a key factor, especially for informative books -- those without plot and characters. The order in which you tell your story or explain your topic and how smoothly it flows can have a huge impact on the reader's understanding and enjoyment of the material.

5

Formatting: Formatting is the single most overlooked area by authors. The way in which you describe scenes, display dialogue, and shift point of view can make or break your story. In addition, excessive grammatical errors and typos can give your book an amateurish feel and even put off readers completely.

5

Marketability: Marketability refers to how effectively you wrote your book for your target audience. Authors may include content that is above or below the understanding of their target reader, or include concepts, opinions or language that can accidentally confuse or alienate some readers. Although by its nature this rating is very subjective, a very low rating here and poor reviews may indicate an issue with your book in this area.

5

Overall Opinion: The overall starred rating takes into account all these elements and describes the overall reading experience of your reviewer. This is the official Readers' Favorite review rating for your book.

Review:

Reviewed by Vernita Naylor for Readers' Favorite

Upon the advice of those closest to him, author Kevin R. Kehoe decided to create a book based on his memoirs. The book, *One Hit Wonder: The Real-life Adventures of an Average Guy and the Lessons He Learned Along the Way*, was born. Those closest believed that his life was intriguing enough and that others would share their opinion. We each have a story or two to tell that can be used for our memoirs but may be too afraid or frightened of what others may think. In this book, the author will incite familiarity, humor, and a connection with the reader with just enough transparency so that we may even see ourselves in a few chapters. He lets loose in over thirty-five stories, each having a specific quote to set the stage and an ending with a Final Note. Kehoe covers a lot of real-life experiences from being a single parent in *We All Work for Someone*, what it means to be a One Hit Wonder by doing something you love, to *That Guy* that looks at what it takes to survive when life throws you a curveball.

One Hit Wonder by Kevin R. Kehoe offers not only several beautiful stories but great classic nuggets that anyone can use whether they're married, starting a business, or dealing with health challenges. In this book, the reader will uncover some great tips, advice, and lessons learned on any subject because the author bares his soul by sharing his journey. Embrace and discover *21 Suggestions for Life*, what it takes to stay happily married, and the beauty of maturity when dealing with the stupidity of others. Memoirs are enchanting when you enjoy the ride, no matter where it leads. Go on a ride with Kehoe; maybe you'll be inspired to share a memoir of your own. Enjoy.
